**RE: Seaman, et al. v. Commonwealth of Virginia, et al., Case No 3:22cv00006-NKM (W.D. Va.)**

Ms. Heilman:

This office has reviewed your letter from late yesterday demanding that the Defendants in the above-captioned action accede to your clients' position. We must reject your demand.

We insist that all schools in Virginia comply with the federal laws that protect individuals with disabilities. But the Commonwealth will not concede its legal position in response to your complaint and your threat to "seek immediate injunctive relief" if your demands are not met within 24 hours. The Office of the Attorney General believes that Executive Order 2 was a lawful exercise of the Governor's emergency authority, and that it complied with federal law. We will defend it accordingly. We understand that you disagree with this conclusion, and we will resolve that dispute in federal court.

Thank you for your time regarding this matter.

Respectfully,

A blue ink signature of Charles H. Slemp, III, consisting of stylized initials and a surname.

Charles H. Slemp, III  
Chief Deputy Attorney General
